

Privacy Policy

Visitors/users of our site is provided confidentiality of personal data, as well as the application of legal, organizational and technical measures necessary to ensure compliance with current legislation in the protection and processing of personal data.

Personal data of visitors/users of the site can be used by the administration of the site for marketing research, statistical reporting, database formation, the interaction with the Visitor/User, with the help of emails and messages.

The visitor/user of the site gives his/her permission to the site administration to process the personal data received, which implies: accumulation, distribution, systematization, depersonalization, blocking, updating, destruction, storage, use, collection of personal data left on the site, specified in questionnaires, systematization and formation of a database of site users, until withdrawal of such consent.

The visitor/user of the site agrees that the administration of the site will process his/her personal data, including: email, contact phone number, education, age, photo, first name, last name, gender, country/region/population, social media accounts LinkedIn, Instagram, Tick Tock, Twitter, etc.

The visitor/user agrees and grants the right to carry out automated and non-automated processing of his/her personal data by the site administration. As well as, to use the reviews, photos and videos left by him/her, with his/her image and voice, to create content.

In some cases, if it is necessary to carry out the above purposes, the administration of the site may give access to personal data to third parties who are authorized to ensure the functioning of the site or to external contractors (providers of technical services, information technology, hosting services), partners. In this case, we control and require such third parties to ensure the confidentiality and security of personal data during their processing.

The personal data of visitors/users of the Site may not be provided to third parties whose data processing rules are questionable, or if it has become known of significant differences in the terms of their processing rules with this Policy.
